**Comment**

CPRE North Yorkshire ('CPRENY') welcomes the opportunity to comment on the Statement of Community Involvement ('SCI') Consultation Draft document. The SCI sets out how Redcar & Cleveland Borough Council will consult in the preparation of the Local Plan, other Local Planning Documents and in the consideration of planning applications. It also provides information on how communities can get involved in the Neighbourhood Planning process. The SCI is a statutory planning document and a key component of the Council's overall strategy for community engagement. It aims to ensure that consultation in the planning process is conducted in an inclusive manner so that everyone has the opportunity to express their views. As a result of various changes to the planning regulations, this is the fourth SCI that has been prepared by the Council.

CPRENY has read and reviewed all the information in the updated document and has no comments to make at this time.
